Dear Members:

To protect the health of our staff and communities, effective March 30th select Carpathia branches will remain open on an appointment only basis but will be closed to walk-in services

We have many other service alternatives available to you at this time:

- For general inquiries, please contact your local branch or visit our website at carpathia.ca.
- Our online banking and 'My Carpathia' mobile app, continue to be an option for members. If you are not currently signed up, please contact your local branch to do so. Here you can check your balance and even deposit cheques remotely.
- ATMs and secure night depositories are available at all of our locations. Our night deposit services will be checked throughout the day during regular business hours to avoid delays in deposits.

If you require assistance with a service not available online or via self-serve, please call one of the 4 branches accepting appointments. ***(Grant and Main street are not available for appointments)***
