

Square Reader for contactless and chip

Accept credit cards and Interac Flash everywhere.

Made for NFC and chip

Accept contactless cards, devices with Apple Pay and Android Pay, and chip credit cards, too.

Interac Flash ready

Take contactless debit cards and devices with Interac Flash for transactions under \$100.

Pocket-size and powerful

Packed with a powerful battery, the reader connects wirelessly to iOS or Android devices.

Works with the free Square app

The Square Point of Sale app takes care of payments, invoices, inventory, reports and more.

Features

- Accept Apple Pay, Android Pay and chip credit cards for any amount. Take contactless credit cards and Interac Flash for transactions under \$100.
- Swipe magstripe-only cards or gift cards with the included magstripe reader or Square Stand.
- Make sales all day long with a powerful battery that lasts for a full day of sales. Charge easily with the included USB cable.
- Connect the reader to your device wirelessly with Bluetooth Low Energy or plug it into Square Stand for instant setup.

Dock for Square Reader

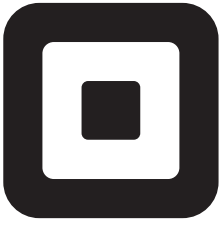

Keep Square Reader for contactless and chip charged, stabilized and positioned for payments with the optional Dock for Square Reader.
